WEB PORTAL FEATURES/BENEFITS

- Will only show products you select, which can include custom pad-printed, screen-printed and embroidered apparel.
- Get contract pricing.
- Restrict access to the portal and only create an account for those you want to be able to use it.
- Set up your portal as tax exempt if applicable. (Appropriate paperwork is required.)
- Set up invoicing and other payment options.

The items listed above are the basic features of a web portal. If you require additional features, discuss them with your salesperson, who will work with our technical team to find a solution. If you do not have a salesperson, please call 800-686-1459, and we will assign you one.

See Page 12 for color options.

Prices are subject to change. Please call for pricing!

Available Types of Customization

- Silk screen
 - Heat press
 - Embroidery
 - Heat-pressed patches
- (See Page 55)

Most items in this catalog can be customized with any of the **HEAT-PRESSED PATCH** processes listed above. Terminology for the placement of your graphics is at right. Please refer to it when you place your order.

Pricing depends on a number of factors, including the items selected, the complexity of your artwork and the number of colors used to render the artwork.*

Your salesperson or one of our customer service representatives will assist you throughout the customization process and will provide pricing on an order-by-order basis.

* See the Logo Request Form on Page 71 for more information. Send artwork to artwork@ussafetygear.com.
