## WHY DO YOU NEED A WEB PORTAL?

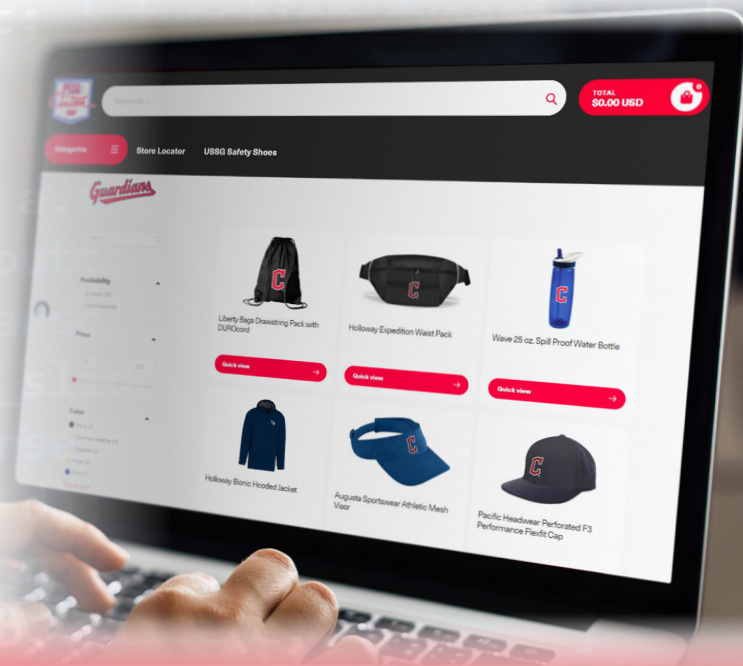

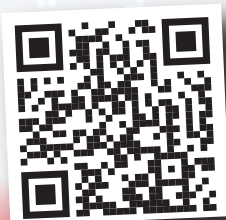

Are you looking for a more personalized shopping experience? Then one of our custom web portals is the way to go! A portal is a password-protected and encrypted ecommerce store tailored to the specifications of your company or organization. They run on our full website, [ussafetygear.com](http://ussafetygear.com), but once you log in, only the products you choose and approve will be available to purchase rather than our full catalog. Give access to as many employees you want, and streamline all gear orders!

Simplify shopping with our
